Scott Adams | 128 pages | 20 Oct 2009 | Andrews McMeel Publishing | 9780740773655 | English | Kansas City, United States

14 Years of Loyal Service in a Fabric-Covered Box by Scott Adams

Dec 01, CW rated it it was amazing. Great collection of Dilbert comic strips Great collection of Dilbert comic strips! Images are crisp and easily zoomable on Kindle. Great for light night time reading. Aug 18, Miss Clark rated it really liked it Shelves: humor-comics. Oct 17, Tony rated it really liked it. Classic Office Humor! Dilbert is so funny because it comes so close to the truth! Sarcasm intended, but only slightly!!! This is a must read. Ploughed through this one today. Dec 14, Eric Braun rated it really liked it. Good Old Dilbert Great humor about business centered around

the recession with the satire and insight only Dilbert could offer. Great read for anyone! This collection ups the snark level - it was clearly written during or after the recession, and there are a lot of strips dedicated financial disasters and responses. Dilbert's always fun, and always disturbingly close to corporate reality, so seeing the employees have a higher than average number of strips where they get the upper hand is nice.

The CEOs still rule the world, but their throne is trembling. Feb 05, Anthony rated it liked it. Scott Adams doesn't break new ground making fun of corporate America circa financial collapse. We all might have started out like Calvin with a great view of life. But after hitting the workforce we all somewhat become Dilbert. Everyone knows someone like one of the characters in the strips.

Highly recommended. Dec 07, Deborah rated it liked it Shelves: humor , comic-strips. Not sure if I wasn't in the right frame of mind for this or it was just that some of the content, while amusing, was a little too depressing and realistic. Some laughs but not one of the best for me. Dilbert is truly the best comic strip out there dealing with everyday insanity we call "work". Laugh out loud humor is what you'll get from this book! Always love Dilbert books. It was funny, but I guess I don't relate to the corporate, cubicle scene. Still some occasional flashes of brilliance. The world illuminated in the Dilbert strips really does exist. I lived it at Career Education. View 1 comment. Oct 06, Any rated it really liked it. As someone who has worked in a fabric-covered box for a number of years, I could identify SADLY with quite a few of the cartoons in this book.

Hilarious look at work life in a large corporation. Highly relatable with plenty of laughs! Oct 24, Samori Augusto rated it liked it. Good but not great Funny in some places, but really just rehashing old jokes. Maybe if he focused on creating more and longer arcs for each character. I liked the Idea Squirrel, and as always, the Alice character. Dec 04, Jerry Cornelius rated it it was ok. Talk about making cuts Humor in a bad economy is one of the things that must be sacrificed. Talk about over extending your resources. Excellent Read Office Professionals everywhere relate to these sketches in a real way. Share a couple and make their day.. A fun compilation of Dilbert cartoons. Shelves: for-the-boys. Who doesn't love a dose of mean spirited humor? Plus an allusion to the Turing test. Search Search. Advanced Search. By Scott Adams. All too real with a laugh Dilbert may be a genius. Clearly Scott Adams will never lack for fodder to mock. However reading two of his books back to back felt redundant. I'll come back to him in a while I suspect. I love Dilbert so this collection of daily comics couldn't really disappoint. The comics span Scott Adams' work from late to the summer of Anyone who has ever read Dilbert knows what to expect: witty, sardonic office humor. Due to the economic collapse of those few years, Scott Adams infused I love Dilbert so this collection of daily comics couldn't really disappoint. Due to the economic collapse of those few years, Scott Adams infused mostly economic humor into Dilbert's office; layoffs, downsizing, and unemployment are topics explored in every panel. The reason I didn't go 5 stars was because I know Scott Adams has more inventive material, although reading Dilbert is pure bliss.

Having every comic involve the economy does get repetitive so that's my big criticism. Even though the best jokes here did involve the office workers doing anything to keep their jobs, the material does feel a little monotonous in the moment. I look forward to checking out a few more of these collections this year. It seems that Scott Adams may be my "most read author" this year, but that's not a bad thing! Dec 15, Shoy L Mohr rated it it was amazing. Always Funny, Painfully Accurate Scott Adams consistently describes the typical office in a typical business. In hell. If you're lucky. And smart. And brave. Unfortunately, few of us get to be lucky enough to be in Adams' type of office, but we can recognize aspects and cringeworthy dialogues enough to make all of his books relatable and hilarious.

Jan 18, Tania rated it really liked it. Never too much Dilbert This is a nice collection of Dilbert clips that show the pains of working in Corporate America. Only those who don't can't see the truth behind the humor. The rest of us know you just can't make this stuff up. But as usual, Scott Adams takes a glimmer of truth and brings us the truly outrageous. Classic Dilbert. Easy to navigate in Kindle format. It's been a while since I read one of these, but I picked it up free on Amazon Prime. I think for me it held more meaning when I worked in the corporate sector, but still amusing. Typical hilarious Dilbert book. If you've read and enjoyed Dilbert before, you'll love this one.

If you have read Dilbert and not been amused before, I can't imagine why not, but you won't like this one any better. If you've never read Dilbert before, give it a try. As usual, very enjoyable. Dec 01, CW rated it it was amazing. Great collection of Dilbert comic strips Great collection of Dilbert comic strips! Images are crisp and easily zoomable on Kindle.
