Dear Lord Bloomsbury, I hope you are well and that the cold isn't getting into your silly old bones. I shall be holidaying in France shortly and plan to write a book about it. You see, it struck me in the bath that people love travelling and reading books. So why not have a book about travelling? I think your Lordship silly man has been missing a hole in the market. So come on old boy. Let's clean up! Yours Sincerely, Mr. Travel Writer. Though he says so himself, Mr. Bean's done a jolly good job of making this book, stuffed as it is with sellotaped, gummed and bluetacked photos, magazine clippings, sketches and travel memorabilia collected whilst on holiday in France.

Not only has he constructed this visual feast all by himself, he's gone to extraordinary lengths to include invaluable advice and guidance to would-be visitors to that land. Bean movie, which releases September England is wet, and Mr. Bean is fed up. He dashes off a note to the queen to let her know he won't be available to chat for a few days, indulges in a few fantasy drawings of himself as a tanned man in swimwear, and sets off for the south of France. Bean has a new video camera although he had intended to buy a kettle and records every detail of his journey, culminating in his trip the Cannes Film Festival, where the results of his home video—the Mr. Bean movie—are being screened. But we are doubly blessed: Mr. Bean has also turned his hand to travel writing. On his way back to England, he develops his own rating system a range of Post-it notes saying everything from "excellent" to "a pile of poo", and stickers everything in sight. For our edification, his scrapbook also includes souvenirs, menus, sugar wrappers, postcards and photographs that he has collected en route.

Not merely a tie-in but a stand-alone humor book, Mr. Bean's holiday journal is so useful, you won't even need to go to France. Original Title Mr. This edition Format 96 pages, Hardcover.
