**CARFAC SASKATCHEWAN VISUAL ARTISTS**

### CONSIGNMENT AGREEMENT FOR SASKATCHEWAN VISUAL ARTISTS

FOR CONSIGNMENT OF ARTISTIC WORKS (REV 2010-05)

**Background**

In May 2009, the Saskatchewan government passed a new law called The Arts Professions Act (the "APA"). The APA will come into force and apply on and after June 3, 2010. The APA serves to recognize artists, including by affirming and recognizing:

- the important contribution of artists to the cultural, social, economic and educational enrichment of Saskatchewan;
- the value of artistic creativity in advancing Saskatchewan's cultural, social, economic and educational life;
- the valuable contribution of artists to Saskatchewan's cultural heritage and development; and
- the importance of fair compensation to professional artists for the creation and use of their artistic works.

To achieve these purposes, the APA requires a written agreement whenever a person (called an "engager" in the APA) intends to hire a "professional artist": (1) to produce an artistic work or production; (2) to present an artistic work or production to the public; or (3) to engage in the circulation or dissemination of artistic works to the public (whether by lease, exchange, deposit, exhibition, publication, publicly presenting or other similar fashion). Under the APA, each contract between a professional artist and an engager must contain certain terms. Further information on The Arts Professions Act of Saskatchewan is available from the Government of Saskatchewan online at [www.apic.gov.sk.ca/arts-professionists-act](http://www.apic.gov.sk.ca/arts-professionists-act).

**The CARFAC Saskatchewan Model Agreement**

CARFAC Saskatchewan has always recognized the value of artists entering into written contracts; but CARFAC Saskatchewan also recognizes that artists are not always in a position to develop and maintain a body of contracts that meet all the requirements of the APA. To simplify matters, CARFAC Saskatchewan has worked with its lawyers to develop a set of model agreements that meet all the criteria set out in the APA and are pleased to provide this model agreement for reference.

Please note that CARFAC Saskatchewan prepared each of the foregoing model agreements to address the general requirements for a contract in the circumstances generally described by the title to the agreement. In other words, a model agreement contains only the most basic terms that might arise in the context identified by the title to the agreement. The model agreements are not comprehensive in nature; they do not contemplate anything beyond the most basic model for the relationship in question.
