Pat is teaching *The Revelation* to the fourth year students. On the far right is Carlos, a national, who is translating the class for him. This prophecy-filled book of the Bible is a challenge to teach but Revelation 1:3 reminds us of the blessings that await those that read, hear, and obey those things found in this closing book of the Bible.

### Outreach in Chichubamba, Perú

The Visuals Class (the photo above) taught by Wendy had the opportunity to go to a local school to share a Bible lesson, music, and puppets. It also was an opportunity to hand out a Gideon Bible to each student so they could follow along with the lesson that was presented, and that they could take home a Bible.

We hosted the end of the module social for the students. Activities first included a message by a fourth year student, Emerson, (above). A ping pong and foosball tourney (also pictured above) followed with other various activities. It always is fun to associate with the students outside of class.

Wendy has been helping with OANSA (AWANA) this year as the girls memorize scripture verses. She looks forward to Tuesday evening. They have around 119 in attendance which includes the leaders/helpers. The students from SEBIC have this hands on learning experience how to direct/work in children's ministries. Please **pray** for the children as they hear God's Word.

**Pray for Dr. Mark Stupka** as he will be arriving in Peru May 21<sup>st</sup> to teach a class, "**Christian Ethics**". Dr. Stupka is a professor from Faith Baptist College in Ankeny, IA. His son, Nathan, will accompany him.
