

# THE Schrock FAMILY

Apr-June 2018

Dear Praying Friends,

Praise the Lord for His continual guidance and provision for us and the ministry here in Brazil! In our main church services we have been encouraged to have some first-time visitors recently. The kids' Sunday School is always well attended with as many children as we can handle effectively. As usual, the attendance for the adult service has been very small, but we have had some visitors there as well and trust the Lord to do a work in their hearts.

With our midweek Teen service, I recently made a way for them to submit spiritual questions anonymously so that I could deal with them in our services. I have been very pleased and challenged by the depth of the questions that they struggle with. The questions have included topics such as the origin of evil, end times, Christian living, as well as interpretations of certain passages they have found difficult.. It is a blessing to know that they are thinking for themselves and want answers!

We will not be able to take a furlough this year as we had hoped. However, we were able to take a very quick trip the States in May to restock on some needed supplies and do some routine medical checkups. We enjoyed a few days with family as we were able to attend Omar's brother's wedding as well!

Several churches have asked for an updated family photo and so we have taken a new photo and it is available by request or on our website. ([www.schrocks2brazil.com](http://www.schrocks2brazil.com))

We thank the Lord for your faithful prayers and support of our family and the ministry God has for us. God bless each of you as you serve Him in the places He has for you.

God Bless! Omar Schrock and Family,
