Dear Friends and Supporters;

Thank you so much for your prayers and support to our ministry.

The Lord has been so good to us to see 19 souls profess Christ as Saviour since our last letter.

We just finished VBS with 11 receiving Jesus. Bro. Paul and Amy Valles did a fantastic job heading up the VBS.

We went to Jamaica for 16 days visiting Odeen's family. While there we always have Bible Time on the porch every Sunday and Wednesday evenings. There were between 6 and 16 on the porch listening to the precious word of God. Great testimonies of God's goodness and 5 precious souls saved. There is Still Power in the Gospel. I do not know of an Independent Baptist Church in the country where the family lives. Yes, there are other churches believing all kind of things.

It's because of your faithful prayers and support that helps to get people saved and live for God.

Urgent Request... I have a 92 year old mother in North Carolina that needs my help. I am the only living child.

Her income is not enough to cover all the expenses. I had to hire a lady to stay with her 24/7. She cannot be left alone.

She still can walk slowly with a walker and eat, but is very weak in body and mind. I know some of you have been there.

Thank the Lord she can talk and laugh, and repeat what she says short term.

I do not want to put her in a nursing home if I don't have to. I am taking this 1 step at a time as the Lord leads.

I am graciously asking you, my friends and supporters if you can help me raise \$1500 a month to take care of this need.

15 churches or individuals at \$100 or 30 churches or individuals at \$50 each. I have never been in this situation before and feel humbled about asking for help of this nature. I do understand if you are not in a position to help this way.

If you can help, kindly send the funds to my sending church. The same address you send your support.

I am going to NC August 28 to look after my mother to make sure things are put in place. Please pray for me.

Also please pray for my wife and Hannah as they will remain on the island, and Bro. Valles who is at the helm.

Thank you so much again for loving us as we serve our great God together.

May the Lord bless you all real good,

Arthur, Odeen, Hannah
