Peru Update ~ December 2018

Christmas is the time of the year for reflection on what God did when He sent His Son to us. The night of the Savior's birth was truly the beginning of hope---for a baby was born to give His life for the punishment of our sin, so that we could be forgiven and reconciled to God. The most beautiful part of the story is the reason He came – because that reason is you and His love for us.

Merry Christmas from our home to yours.

Graduation 2018 Two students graduated from the seminary this December, one after four hard years of study, and one after six years. Please pray for them as they seek God's will for their lives, how to serve God, and where. Please pray for one student, Emerson, who did not graduate because he was needed to return home to the jungle. He is presently involved in ministry in his home village of Miaria, but there are difficult situations. Other fourth year students will continue their studies to earn more credits to graduate. It is a blessing to be involved in the training of these students. We have dedicated and godly staff who have invested in the students' lives, in and outside of the classroom.

May God receive the glory!

Merry Christmas

~

Feliz Navidad

Construction Continues on the Dorm! In Psalms 127:1 it reads "*Unless the LORD builds the house, they labor in vain...*". We truly are seeing God's hand in the construction as they move forward. The floors and roof are poured. Plumbing and bathrooms will be the next step. The goal for completing the dorm is January as that is the beginning of the camping season on campus. We are thankful that the students are able to work and be paid with the Work Study Scholarship Fund to pay towards their room, board, and tuition. Please pray for us as the construction winds down. The next big project will be completing the inside of the rooms and furnishings.

Thank you to all of you that have partnered with us in this endeavor. And a special thank you to fellow missionary, Rachel Tarvin, for all these updated photos on the

progress of the construction project.

Faith for Kids' Harvest Party at Calvary Baptist Church in Walnut, IA

We were able to talk about Peru and present a lesson based on Is. 64:6 "...And all our righteousness are like filthy rags; we all fade as a leaf, and our iniquities, like the wind have taken us away." Leaves were hidden around the room to be found by the children with words from the Bible verse I John 1:9 on it to reinforce God's faithfulness to forgive our sins when we confess them. It was a fun evening with many activities planned, along with some great food supplied by the church family.
