January – February 2018

Greetings in Jesus' Name:

Kathy and I have been busy, but blessed. We were able to spend Christmas with most of our family. We have had the opportunity to preach in many churches and see God work.

The first Sunday in February, Pembina Valley Baptist Church in Winkler, Manitoba, honored Kathy and I for the many years of laboring in the Canadian Baptist Bible College and in church planting in Canada. It was a real blessing to us and we were very thankful for all they did for us on that day.

We also went up to Thompson, Manitoba to see the people there and to encourage them, and to preach at the Gateway Bible Baptist Church. We are excited for their Pastor, Chris Lowe and his wife, Rebekah. They are doing a tremendous job and they have a real burden for that area.

I also received a special blessing on Christmas Day. A man called me and told me that many years ago, I was preaching in a meeting and he had got saved and he just wanted me to know and to thank me for coming to his church preaching the Gospel.

We are driving a lot right now preaching in supporting churches and also going back and forth to Canada. We are committed to visiting our supporting churches. We have not taken a full furlough in 15 years. We want to go by and tell them "thank you" for supporting us and sharing what God has done on the mission field. Continue to pray for the south part of Winnipeg. We are praying and hoping to see a new work get started there this year.

I have 2 prayer request for pastor friends: One just lost his wife to cancer, Bro Wallace Nichols in Pensacola, Florida and another pastor in Alabama whose wife is very sick.

Once again thank you for your faithfulness, prayers, love and support.

In His Service:

Dave & Kathy Cook
