Dear Supporters:

We are so thankful that we are a part of your missionary team. We thank our Lord daily for you folks and appreciate all that you do for us in the way of prayers and support.

We have been in many churches throughout the summer months and have had the opportunity to preach in a couple of mission conferences and also a revival.

Have enjoyed seeing some of our supporting churches and to share what God has and is doing in Canada. We spent some time in the churches in Pennsylvania and received such a blessing to preach, and have fellowship with some dear friends that we haven't seen in a few years. We have been in Mississippi also and enjoyed our meetings there as well. We will be in Canada again the month of November preaching and teaching in the college. What a blessing and joy to be in God's service! I was filling in for a pastor in Niceville, Florida and a young man came forward to get assurance of his salvation, he had been doubting it for a while and got it settled that Sunday morning. Praise the Lord!

Continue to pray for us and for Kathy's health. She is not able to travel in November to Canada. Pray for safety on the road as I travel. Going up to Canada this month, I was involved in a car accident and my car was totaled. So thankful no one was hurt. Also thankful for a young friend that came and picked me up and took me the rest of the way to Canada, then a pastor friend offered me the use of his truck during my stay in Canada. Thank you both very much. Please pray with us for the funds to come in so that I can replace my car so I can continue to travel and minister to others.

We want to wish you and your family a very Happy and Blessed Christmas as we celebrate the birth of our Savior. God bless you.

Serving Until He Returns,

Dave & Kathy
