Dear Supporters:

We are praising the Lord for giving us another year to serve Him in the calling He has called us into. What a joy and blessing to be able to serve God, to help struggling churches, encourage pastors, Christians and to lead someone to the saving knowledge of Christ.

We have been very busy visiting some of our supporting churches that we haven't seen in several years and are so thankful for the pastors that keep on keeping on. We have met new pastors that have either taken over a work or have started works.

We leave tomorrow, for Canada and are so looking forward to seeing friends and family once again and to be in several of the ministries that we have been apart of. We have the privilege to bring with us some pastors, including our own pastor, along with a couple of guys that are eager to see the works in Canada.

Pray for us as we travel and for Kathy's health. She was sent to the emergency room by her doctor because in her doctor's office she had an EKG, and it showed that she was on the verge of a heart attack. So the emergency room doctor took her in and did a heart catheterization but found no blockage. So now she is waiting on a Cardiologist to run more test and see why her EKGs are showing signs of heart attack or stoke. Please pray for her to find answers soon.

Also this month, February, my mom passed away after 9 days in the hospital with pneumonia. She professed salvation and made it clear before she died that she knew she was going to heaven. What a joy and blessing to have that peace in knowing that I will see her again. She requested that I preach her funeral and to preach salvation. This was an honor for me, but hard. Praising God for His Grace.

Thank you again for your support and prayers. We love and appreciate each of you very much.

Looking Up For His Return Soon,
