Fannin*

Dear Pastor Largent and Church,

We are so blessed to have had such faithful supports these more than 25 years as missionaries. God has done so many marvelous things in those years for His Glory and the lives of those that have received Christ as their only Savior. Thank you and may the Lord bless all of you for your sacrifices.

Since our last letter things have been super busy. We stepped up our soulwinning effort and have seen many saved and some added to the church, put on a youth camp and just did DVBC.

The Lord brought back to us a zealous soulwinner, Melrose. Many years ago she was a bus kid, later became a bible college student and graduated. As nothing is perfect in this life she sadly married a person that could not be faithful. Having two small children to support she left the country for work. As the Lord worked it out while she was on a short vacation here in the Philippines she missed her flight back to her work. The Lord unexpectedly provided her with the funds to get out of her contract and was able to stay home. While working abroad she was having bible studies with other Filipino ladies, now she is free to get back to soulwinning and she is ever so eager. She is working with some of our ladies, taking them out and teaching them to be complete soulwinners. Pray for her because her personal situation is not easy and the day to day finances with her two children will be difficult. She, however, is not discouraged but is happy and blessed to serve her Lord.

This April we had 8 churches and 175 teens/workers in our annual youth camp. The finances for such an endeavor can be difficult financially but the results far out weigh the cost. Do pray for our national pastor that God will give him the wisdom for the church and the future of the camp so in years to come it can grow. We also had a fantastic Daily Vacation Bible School with over 200 kids with 42 receiving Christ. We have posted some of the pictures and a video on our FB page. Use "Gaylene Fannin" in a search to find them. Below I will put a few of the pictures for you to see. The Youth Camp and DVBS could not be except for your help. The campus, the buildings, the vehicles, you all make it possible.

Thank you for your prayers and support
