Northern Brazil

GOD'S WILL AND GOD'S WAY

JUNE - JULY 2019

STRIVING TO UNDERSTAND...

Mary and I returned to Pará Brazil May 28th 2019 and are situated, at present, some 2 hours from Belém, it's capital city. We have spent over 45 years in this state and, although we have acclimatized, over the years, to the physical and social elements here (tremendous rains, heat, mold, traffic and complacency of the state and city governments, we adapted. Mary, however, is suffering more this term than the others with asthma, bronchitis and acute swelling in her lower extremities. Also, as most of our supporters are aware, Mary spends most of her time in a wheelchair and, this area is not very handicap friendly. We are considering a change of location to another area of Brazil. The ministry here, the churches, Bible Institute, Camp, Bible Clubs are all under Brazilian authority and are doing well. I will be able to travel to the Belém area to teach modular courses in the Bible Institute from time to time. Please pray with us concerning God's direction.

JOY IN MINISTERING TO YOUTH ...

It's Camp time! What a joy in seeing precious children growing up in the things of the Lord. Souls being saved, Lives being changed. That is the primary emphasis of the ministries of El Shalom Independent Baptist Camp. They're also having a great time. Next week our adolescents and youth will be under the influence of some great preaching and teaching. They'll also be competing in field and water sports - all under the separated supervision of godly men and women.

THANKFULNESS TO GOD...

Thank you for your faithful prayer and financial support, without which a missionary family's ministry would be less fruitful and shortened in today's world. God does all things well.

In Christ, our soon returning Redeemer,
Bill and Mary
