Blessing

Keila has been struggling with liver problems for over a year. The Lord allowed us to find someone who can help, and we are seeing great results!

Our Travels

We praise the Lord for how He has kept us safe in the 20,000 miles and 19 states that we have traveled through thus far. We have seen several accidents because of drivers and the weather, but God has kept us safe through it all.

Our family was really hoping that we would get some snow this furlough, as it is only once every 5 or 6 years that we get to experience it. Well, God has answered our prayer beyond what we expected.

We are now looking forward to the spring months and the warmer weather.

Our Visits

One thing that encourages us missionaries on furlough is to see friends, pastors, and churches still faithfully serving the Lord. It has been good to see so many! Another blessing is that in reporting what God is doing in Uganda, many people have stated how they were encouraged to see “returns” on their prayer and financial investment. To God be the glory!

Our Home

We are continuing to receive reports of the continuing work in Kyahi, Rubindi, Kasese and Karusandara. Here are some prayer requests from each of these churches:

1. **Kyahi** - Pastor Eliab's health; turning over the work to Bro. Moses
2. **Rubindi** - finances of church members; finances to build their church building
3. **Kasese** - faithfulness of the four Ugandan men leading the church
4. **Karusandara** - finances for land and a permanent building

Our Family

We thank all of you who have been praying for my 99-year old grandmother. She passed away on March 12. We are so thankful for her testimony of salvation. We were also thankful we got to see her less than a month before the Lord took her home. Please continue to pray for the rest of the family.

Our Projects

Again and again we have been humbled by the generosity of God's people as they have given so sacrificially toward the two projects we have mentioned previously.

We mentioned the need to construct a multi-purpose Sunday School/Bible college building upon our return to Uganda. Praise the Lord, He has provided the needed money to build this project. Now we just need to furnish it with benches, desks, and bunk beds.

1999

We thank the Lord for the 20 years that He has allowed us to serve Him in Uganda!
