

# Wormleys to East Africa

2 Timothy 2:2

Dear Praying Friends,

July 2019

Six men entered, after cutting the fencing and climbing into our neighbor's yard. Only five yards from the end of our driveway, our neighbor's night guard was cut with machetes multiple times. The thieves bolted, after attacking the guard and left him for dead. Thankfully he has recovered, even though he has suffered the loss of one of his eyes. We don't think about it often, but times like this remind us to place our trust and security in God. He is able to keep us both spiritually and physically safe, if He so desires.

In Mombasa the Bible school is going along very well. It was another busy several days of teaching and preaching. Some of the best conversations take place at night, as we sit around shooing away mosquitoes and talking about God's Word. The last few weeks we have been working hard on understanding how to faithfully preach and exposit God's Word.

Pastor Khaemba and I spent an afternoon looking for land to purchase for the Mombasa Bible school. We looked into several places but are still searching and talking with people. Please be in prayer that we would find and then be able to purchase land for the Mombasa Bible school. We are currently meeting in Mikindani Baptist Church, but there is only the one room auditorium. Next year we will have three separate classes and won't all be able to fit into the church building. Since there is no additional space to build at the churches location, we are looking for another place to gather. Your prayers for finding good land and for the Lord to provide the funds to purchase it, are greatly appreciated.

Bethany has been leading a Thursday morning Bible study with a group of ladies in our home. Several are saved but there are a few that have not yet come to faith in Christ. Here is a good quote from the book she is using, that she shared with me. *"We live in a time when the Bible is largely regarded as a book for our own edification, through which the Holy Spirit will simply reveal truth to those willing to give it a few minutes attention a day. The intellectual muscles that our faith ancestors once used for digging have grown atrophied in the modern mind. Not many of us are willing to do the hard work of digging, preferring to inhabit a modern day understanding of the Bible with no regard for its original audience or purpose, tailoring our modern reading to suit our own ends."* Please be in prayer for Bethany as she teaches and fellowships with this group of friends. We are praying for salvation for some and a deeper walk with Christ for others.

The next few months we will be traveling to Uganda and Tanzania, as well as the usual travel for teaching within Kenya. Your prayers for spiritual growth and safety on the roads is needed as always. We are so thankful for all who pray for us and wish we could be as great a blessing to you as you are to us. God bless

Living for Eternity, Josh, Bethany, Abram and Journey Wormley

**\* Notice— We are planning on taking a short furlough April—August 2020. We would love to visit as many of our supporting churches as possible, as well as new churches. Please let us know if you are interested in having us come!**
