Target Audience

- Registered nurses preparing for certification in Nursing Professional Development
- RNs new to the NPD role
- RNs desiring additional education in the NPD processes
- CPD professionals preparing for certification in CHCP

Program Outcome

This program is intended to enable the learner to successfully complete the American Nurses Credentialing Center (ANCC) generalist examination in nursing professional development.

In addition, it enables CPD professionals to successfully complete portions of the CHCP examination.

This course also enables novice NPD practitioners to develop foundational knowledge for the specialty practice.

Instructed by Greg Durkin, MEd, RN-BC

Greg Durkin holds the titles of Sr. Professional Development Specialist; Program Manager for Nursing Education; and Associate Director for Interprofessional Education of the BCH Academy for Teaching and Educational Scholarship and Innovation at Boston Children's Hospital. Pre- and Post-test Information

Earn up to **two (2) additional contact hours** by taking the NPD Cert Prep Course Pre- and Post-test in the ANPD Professional Development Center. Each test, which contains 60 questions, awards one (1) contact hour. **The pre-test is a diagnostic test that allows the course instructor to identify areas of focus during the course.** In addition, the tests allow you to measure your progress by comparing pre-test and post-test scores. You also identify which domains should be areas of focus when preparing for the certification exam. Instructions to access the pre- and post-test will be provided to attendees two (2) weeks before the course.
